2017 Annual Meeting

May 12-13, 2017

Wyndham Cleveland
Playhouse Square
Cleveland, Ohio
Dear Industry Colleagues,

On behalf of the Ohio Chapter of the American College of Surgeons (ACS), I invite you to join us at the 2017 Annual Meeting, May 12-13, 2017 at the Wyndham Cleveland Playhouse Square in Cleveland, Ohio.

The Ohio Chapter is one of the largest statewide chapters of ACS in the country. With more than 1200 ACS members, the Ohio Chapter has positioned itself to be active in the legislative arena, focusing on issues that directly and exclusively impact its members.

This year’s meeting will provide you with an excellent opportunity to network with our members and build new relationships while promoting your product and/or services.

Over 100 surgeons and affiliated professionals will attend the meeting to learn what new products and services your company has to offer. As we have done in the past, we will hold our raffle where members will be encouraged to visit with you and learn about your company.

On behalf of all my colleagues of the Ohio Chapter of the American College of Surgeons, we hope to have you join us in May at the Wyndham Cleveland Playhouse Square Hotel in Cleveland!

Sincerely,

Walter Cha, MD, FACS
President, Ohio Chapter, ACS

**Learning Objectives**

Educate our membership on understanding of various modalities and routes of dialysis access to assist patients in the decision process once they are referred. This includes Hemodialysis, Peritoneal dialysis and choosing which modality may be beneficial for different patients.

To update meeting attendees on current surgical guidelines for the surgical treatment of melanoma (resection margins, sentinel lymph node biopsy, completion lymphadenectomy) and new immunotherapy options.

Give our members an update on Palliative care options and strategies on how to have, “The Conversation” with patients and their families when they are reaching end of life.

---

In compliance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are managed by a designated official to ensure a bias-free presentation. Please see the insert to this program for the complete disclosure list.
